The enclosure to puc embodies a suggestion which appes to be ~~xxxxx~~ still under the consideration of the A.G., Madras. It is possible he has referred the matter to the G. of Madras who in turn have referred it to the I.G. of Prisons, Madras(sl.139).
From the last sentence of puc, it would seem that a reference to the G. of I.* is eventually necessary; in the meanwhile, the views of the District Magte., may be obtained both on the proposal and its financial results.

The annual expenditure, calculated at Madras rates, is stated to be Rs.5,000/-. From the sum of Rs.11,000/- provided in the budget, Rs.9,500/-is required to meet the charges for the maintenance of C.& M. Station prisoners in the Central Jail, Bangalore(sls.122 & 123/148-02). The surplus from the sanctioned amount has not been surrendered; hence a sum of Rs.1,500/- is available for the present purpose, and the balance required to make up Rs.5,000/-, it is understood, can be met from savings in the budget estimates for 1926-27. I have the honour to state that since the year 1884 the system of transferring prisoners from the Civil and Military Station of Bangalore to Madras Jails has been in vogue, but, in this connection, I desire to draw your attention to the fact that the charges incurred on account of guarding and maintenance of such prisoners are borne by the Madras Government, unlike the system that obtains in the case of prisoners sentenced in other Native States and imprisoned in the Madras Jails.

2. In the case of State prisoners, other than those detained under the Moplah Outrages Act, Ganjam and Vizagapatam Act etc., all charges are directly borne by the Government of India.

3. Since the Civil and Military Station, Bangalore is under the direct control of the Central Government it is reasonable that the Madras Government, being Provincial, should be credited with the cost of maintenance of prisoners who are received from the Civil and Military Station, Bangalore, for undergoing custody in the Madras Jails.

I accordingly have the honour to enquire if you are prepared to meet the charges of maintenance of the prisoners in question from the Central Revenues with effect from 1st April 1926. The cost of

maintenance of each prisoner will be calculated at the rate shown in Statement IX of the Jail Administration Report a copy attached herewith for ready reference.

4. The favour of an early reply is solicited to enable me to reply to a reference from the Madras Government on the subject.

I have the honour to be,

For Pay and Account Officer
BANGALORE.

Letter No. P & A/Bang-15-3323 dated 12-5-1926 from the Pay and Accounts Officer, Bangalore, to the Accountant General, Madras.

I have the honour to state that the men sentenced to imprisonment by the various magistrates in the Civil and Military Station, Bangalore are partly accommodated in the Mysore State Jails and partly in the Jails of the Madras Presidency. The cost of the upkeep of the prisoners in the former case is paid periodically to the Mysore Government on receipt of bills, but in the latter case, the cost as calculated @ Rs.55/- per head per annum is charged in the pro-forma accounts when arriving at the surplus of the Mysore Assigned Tract. As the administration of jails in the Madras Presidency is a ~~provisional~~ provincial subject and the expenditure on that account is chargeable to Provincial revenues it would appear necessary that the Madras Government takes credit in their accounts for the cost of the maintenance of the Civil and Military Station prisoners in their jails. I would therefore suggest that if you see no objection, instructions may be given to the Jail authorities with the approval of the Madras Government if necessary to prepare a bill for the cost of the maintenance of such prisoners at the rate fixed and send the same for adjustment through your exchange accounts with this office.

The new procedure if accepted, may be given effect to from the current year. The charges for the year 1925-26 may, as hitherto, be included in the proforma account as no appropriation was made in the estimates of the Mysore Assigned Tract for that year to cover such charges.

Dated 14th October 1926.

From
T. B. Russell, Esq., I.C.S.,
District Magistrate,

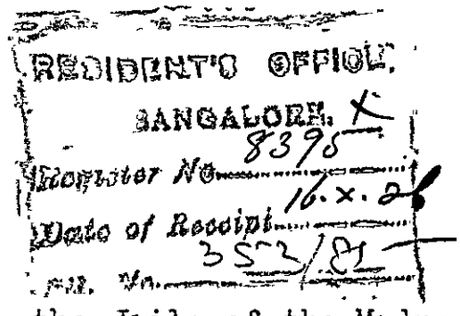
To
The Secretary to the Resident
in Mysore, Bangalore.



Sir,

Station prisoners accommodated in the Jails of the Madras Presidency - Maintenance - cost of - Your No.8330/353-1885 dated 25-9-26.

8C 14

The proposal of the Inspector General of Prisons, Madras to debit the cost of maintenance of Station prisoners accommodated in Madras Jails to the Assigned Tract Revenues is reasonable and may be accepted.

2. I enclose a statement showing the approximate cost at the Madras rates from 1922-23 to 1925-26. The average cost f the 3 years 22-23 to 24-25 works out at about Rs.4900/-. The cost for 25-26 as per statements received from the Madras Jails, except Chingleput, Salem and Coimbatore which have not yet sent in theirs, works out at Rs.4440/-. If the Inspector General's proposal is accepted, the expenditure calculated at the Madras rates may be estimated at Rs.5000/- per annum.

3. The amount sanctioned for 1926-27 under "25 Jails and Convicts Settlements.- Charges for prisoners maintained in Jails of Indian States" is Rs.11,000/-. Basing my estimate on the actuals of the last 3 years, I have proposed Rs.9500/- as the revised estimate for the current year and budget estimate for 1927-28, vide my No.3219/26 dated 31-8-26. Even if the sanctioned amount of Rs.11,000/- for the current year is retained, there will be only Rs.(11000/- — 9500) = 1500/- to meet the proposed charges. If the ~~Accountant~~ Inspector General's proposal is given effect to from 1-4-26, an additional sum of Rs.(5000 — 1500) = 3500/- will be required over and above the sanctioned amount of Rs.11000/-.

No. 9205

Payment to the Madras Government of the charges incurred for the maintenance of C.& M. Station prisoners transferred to the Madras Jails.

Sir,

I have the honour to refer to para 3 of Mr.Cobb's letter No.1121, dated the 9th February, 1918, and to the notification by the Government of India in the Foreign and Political Department, No.841 I.B., dated the 21st March, 1918, from which it will be seen that prisoners of the C.& M. Station who are sentenced to imprisonment for over twelve months, and where the Resident so orders, prisoners sentenced to imprisonment for a term of one year or under, are transferred to the Central Jail at Vellore.

sl.2/36-18

sl.4/do

The charges for such prisoners confined in the Madras Jails are, according to the orders conveyed in para 9 of the letter from the Government of India, Finance and Commerce Department, to the Accountant General, Madras, No.5154-A, dated the 2nd October, 1902(copy forwarded with the endst. from the G.of I. in the Foreign Department, No.4618 I.A., dated the 15th October, 1902) included in the pro forma account, and are calculated at a fixed annual charge of Rs.55 per head.

sl.13A/166A-99

2. The I.G. of Prisons, Madras, has (apparently at the instance of the G. of

sl. 139

Madras) since drawn my attention to the fact that the charges incurred on account of guarding and maintenance of such prisoners are borne by the Madras Government, unlike the system that obtains in the case of prisoners sentenced in other Indian States and imprisoned in the Madras Jails. He adds that it is reasonable that the Madras Government, being Provincial, should be credited with the cost of the maintenance of prisoners who are received from the C.& M. Station, for undergoing custody in the Madras Jails, and he enquires whether this administration will be prepared to meet the charges, with effect from the 1st April, 1926, at rates applicable to their own prisoners.

sl. 141 & encl.

3. The Pay and Accounts Officer, B'lore, considers that, as the cost of the upkeep of the prisoners from this Station confined in the Central Jail of the Mysore Government at Bangalore is paid periodically to that Government on receipt of bills, and as the administration of jails in the Madras Presidency is a provincial subject and the expenditure on that account is chargeable to provincial revenues, it would appear necessary that the Madras Government takes credit in their accounts for the cost of the maintenance of the C.& M. Station prisoners in their jails; and that, therefore, the instructions conveyed in para 9 of the letter to the A.G., Madras, referred to in para 1 above, may be suitably amended.

4. The District Magistrate, C.& M.

c-P 81.143

Station, also agrees that the proposal to debit the cost of the maintenance of the Station prisoners accommodated in the Madras Jails to the Assigned Tract Revenues is reasonable, and may be accept He states that if the proposal is accepted, the expenditure, calculated at the Madras rates(of which figures were supplied to him) may be estimated at Rs.5,000/- per annum.

5. The amount sanctioned for 1926-27 under "27 Jails and Convicts Settlements-Charges for prisoners maintained in Jails of Indian States" is Rs.11,000/-, of which Rs.9,500/- is required to meet the charges for the maintenance of the C.&-M Station prisoners in the Central Jail, Bangalore. The balance of Rs.3,500/- required to make up Rs.5,000/- towards the cost of the upkeep of the Station prisoners accommodated in the Madras Jails can be re-appropriated from savings available in the current year's B'lore budget. The amount required for the next year has been provided in Part II-B-Fresh charges of the Bangalore budget estimates for 1927-28.

6. I consider that this expenditure is a reasonable charge upon the revenues of the Assigned Tract; and the demand represents the actual charges incurred by the Madras Government for the maintenance of prisoners not sentenced by their own courts. I request that the G. of I. may be pleased to convey their sanction to the incurring of this expenditure, with

effect from the 1st April, 1926. Sanction may also be accorded to the provision made for the purpose in the budget estimates for 1927-28.

The I.G. of Prisons, Madras, asks for the favour of early orders.
